-----

Since it was created in 1975, APRIL International Expat has been creating new insurance solutions and services to provide the best possible support to policyholders worldwide.

### Key dates.

**1975:** creation of AIPS (Association Internationale de Prévoyance Sociale) by Benoît Loevenbruck. At that time, the company specialized in insurance for individuals abroad.

**1996:** creation of April International Benefits, a repricing company in the United States.

**1999:** AIPS becomes April Mobilité following its acquisition by the April Group. April Mobilité then expands its business to companies.

**2002:** launch of "Garanties Mobilité Entreprise", a group insurance solution for expatriate, impatriate or seconded employees.

**2004:** April Mobility wins the Tribulus Award for Product Innovation for its "Ambassade" policy designed for expats.

**2005:** launch of "April Mission", a comprehensive solution for employees on assignment abroad.

**2006:** launch of the broker access [www.intramobilite.fr](http://www.intramobilite.fr), designed to allow insurance professionals to take out insurance online and issue an insurance certificate within minutes.

**2007:** launch of the new version of the website, [www.aprilmobilite.com](http://www.aprilmobilite.com) with online purchase open to individuals.

Opening of our representative office in Mexico City.

**2008:** launch of the "Visit'Assur" policy for foreign visitors staying in France and of the "Euro Cover + " policy for expats of all nationalities staying in France or in the Europe-Mediterranean zone.

**2009:** launch of the Pack Spécial PVT (in partnership with the CFE) for young French people going abroad on a working holiday visa.  
 April International wins the best health policy trophy at the *Journées du courtage*, an annual insurance event.

**2010:** launch of "Ned's Expat", the first health insurance policy specifically designed for Dutch expats in France.  
 A unit dedicated to supporting schools and universities for the insurance of their international students also is created.

**2011:** April Mobilité becomes April International Expat.

APRIL International Expat enters into partnership with Handicap International and the Nicolas Hulot Foundation for Nature and Mankind.

Launch of April Social Security top-up insurance for expatriates in France policy, the first insurance solution designed specifically for expatriates in France with basic cover.

April International Expat wins the best healthcare product trophy for the *April Social Security top-up insurance for expatriates in France* policy at the *Journées du Courtage*.

**2012:** launch of the new version of the website, [www.april-international.com](http://www.april-international.com), currently available in French, English, German, Spanish and Italian.

Opening of our representative office in Bangkok, Thailand.

**2013:** launch of the April Expat mobile app, available in English and in French on the App Store and on Google Play. Designed for travelers, working holiday-ers, students, employees on assignment or expats and is very useful when preparing a trip or after having reached your destination.

**2014:** April International Expat wins the 4<sup>th</sup> Brokerage Trophy in its history for its weekly webinars for training partner brokers.
